Who is Club S.P.O.R.T.T.

Club S.P.O.R.T.T. (Safety Practiced On Riding Trails) was formed in 2004 by some local people and businesses with the idea of giving people a place to ride in Tama County and was voted club of the year in 2004. In August of 2005 this idea became a reality and the Tama County OHV Park was born. In the summer of 2006 the club built a public campground located adjacent to the park with running water and electricity. In August of 2008 a dump station was built.

Being a member of CLUB S.P.O.R.T.T. means that you have the opportunity to share the love of this great sport with friends old and new whom love it as much as you. As a member we will keep informed of what is going on with in the club as well as what activities are going on with other clubs in the state. Club meetings are held once a month and this gives you the opportunity to express ideas, concerns and suggestions in helping making the club a better club. Being a member gives you the opportunity to participate in parades, go on club rides and make a positive impact on a sport that growing daily for all ages.

Our club is sponsored by many local businesses, DNR, Tama Paperboard and The City of Tama who support, not only the club but this great sport. Maintaining the park is up to all of us and for all those who are willing to lend a hand there is plenty of work to do in our park, from trail maintenance, lawn mowing, brush cutting, to designing and building tracks. We encourage you, as a member to join the IOHV, by doing this you support us on a state level to help with new laws and legislation.
